

Daily Morning Stock Brief

Thursday, June 4, 2026 | Vancouver, BC (Pacific Time)

1. TAIEX - Taiwan Stock Exchange (Closed)

Index	Close	Change	Change %
TAIEX	45,677.46	-781.70	-1.68%

Market Summary

TAIEX pulled back sharply from yesterday's all-time high of 46,459, shedding 781 points (-1.68%). Profit-taking dominated after five consecutive days of gains. The pullback was broad-based, with Hon Hai (Foxconn) dropping over 5% and TSMC retreating 1.65%. Despite the decline, COMPUTEX Taipei 2026 (Day 3 of 4) continues to generate bullish long-term sentiment for AI infrastructure. Trading volume remained elevated at approximately NT\$1.45 trillion.
